Minneapolis, March 13, 2018 – Minnesota Republican “candidate-journalist” and candidate for Governor Bob “Again” Carney Jr. (“bobagain”) told voters at a Rochester Minnesota candidate

forum held at Peace UCC on February 22nd: “Republicans in Minnesota are going to have a candidate on the ballot in their primary” advocating “that President Trump either resign or be impeached.”

A new three minute video (click on the link) shows the promise, followed by audio of President Trump’s incendiary statement, made in early 2016: “I could stand in the middle of 5th Avenue and shoot somebody and I wouldn’t lose any voters,” and by this critique: “I’m bobagain, and I DON’T approve of that message – or many others from America’s first *Celebrity Apprentice President*. Trump is the problem... for a range of vital issues. He is a con artist, a manipulator, an abuser and silencer of women, and a liar. He is ignorant of the Constitution, and the basic factual knowledge a President needs. He has multiple links to organized crime that go back decades. Republicans and all Americans need to think long and hard about this FACT: America’s Constitutional choice today is not Trump or Clinton – our choice is Trump or Pence.”
